

Parents,

The information you need to access **Ascension Press's "Chosen: This is Your Catholic Faith"** will be sent to you via Ascension Press with the links to set up your access for this program. Please be on the lookout for this email. I have no control over this and cannot access your child/children's account. It will be coming to you within the next week. Watch your Junk/Spam box for this information.

We expect your child/children to complete the "Challenge of the Week" and all other portions of the book with written answers to all questions. Your child/children will need to send me a picture of their completed "Challenge of the Week" via email weekly. Please, please, please do not just give your child/children the book to do the lessons their own. This time is to be spent one on one teaching and learning journey for both of you.

You will need to bring your child/children with their book for a Book Check-up. Those times are to be determined and I will notify you when to sign up. I will be holding a Parent meeting to go over what is required on their journey toward Confirmation. This meeting will be via Zoom and will contact you with the meeting date. There will be only one date for this meeting. The Confirmation Packet will be distributed no later than the end of November but before the Zoom Meeting for your review and questions.

We will not be utilizing RCL Benziger's "Family Life Program" this year. We will be getting a new program from Loyola Press titled "Growing with God". That program will begin sometime after January 2021.

If you have any questions, please call me! So much to learn so little time to teach, but we will get there "PoCo A PoCo" "Little by Little".

Respectfully,
Renee Young
